

# Oak Hill First School

## Weekly Update

26/09/2025

Dear Parents and Carers,

Happy Friday! This week in assembly, we had a chat with the children about the age recommendations for some of the apps and games they use regularly. It wasn't about telling them off — more about helping them understand why those age limits exist and what they can do if something online doesn't feel right.

We looked at apps like WhatsApp (13+), Snapchat (16+), TikTok (13+), Roblox (varies but mainly 13+) and Minecraft (8+), and many were genuinely surprised by the age guidance.

We know lots of children use these apps with support from home, and this definitely wasn't a nag! It was more about helping them understand what those age ratings mean and what to do if something doesn't feel right online. If it leads to a chat at home, brilliant — those little conversations really do help children feel more confident and safer.
