## Weekly Update

### 01/05/2026

We were incredibly proud of our Year 1 children this week, who gave a truly delightful performance. They showed so much confidence, enthusiasm and teamwork, and it was wonderful to see their hard work shine through. Thank you to our staff for preparing the children so carefully, and to families for your continued support.

For further events coming up, please see the *Dates for the Diary* at the end of this letter.

#### [Staying Safe in the Warm Weather- apologies if this is premature.](#)

As the weather becomes warmer, please help us keep children comfortable and safe in school. We recommend that children come to school with **sunscreen applied**, bring a **sun hat**, and have a **named water bottle** so they can stay well hydrated throughout the day. Thank you for your support in helping us enjoy the sunshine safely

#### [Transition Arrangements for September](#)

As we begin to look ahead to September, we'd like to share how transition will work this year.

Children in each year group will move into new classes for the new academic year. These are carefully planned, taking into account learning needs, abilities, gender balance and friendships, to create happy and supportive classes.

Teachers and support staff, who know the children very well, are talking with them in school about who they enjoy learning with, ensuring every child's voice is heard. In previous years, not all families were able to engage with parental friendship requests, so this year, decisions will be made through school to ensure a fair and consistent approach for everyone.

Year 4 transition work is now in progress, with ongoing communication between school and middle schools to support a smooth transition for pupils.

Children will have opportunities to meet their new classmates and teacher before the end of term.

**Please be reassured that we take great care with these arrangements and always act in the best interests of every child.**

## School photos

On Thursday 7<sup>th</sup> May, we have Fizz photography in school to take the class photographs. If your child usually has PE on Thursday, please still send them to school in their full and correct school uniform.
