

Oak Hill First School

Weekly Update

05/06/2026

There is so much to enjoy in this final term, with performances, sports days, charity events and lots of celebrations along the way. It really is a special time as we support our children to take their next steps.

Please keep an eye on Dojo for the latest updates, as there is plenty to come. Transition preparations are well underway. The team are putting great thought into class lists, balancing learning, friendships and how children work best together. We know how important this is and take real care to get it right, so we will share more information around the transition days.

And for our Year 4 families, I am not quite ready for them to go just yet ❤️

Lost Property

Each Friday, we will bring out lost property and place it on the main path into school so you can easily check for any missing items.

In addition, we now have a bottle rescue area in the main reception where you can find any water bottles that have been left behind and are waiting to be reunited with their owners.

While we all love OPAL and the adventures it brings, it does sometimes mean that jumpers, coats and bottles decide to go on their own little journeys instead of making it back to class!

Thank you for your support in helping us reunite everything with its owner.

Quick SENDCo Update

Over the next couple of weeks, Mrs Hopcroft will be on jury service. As this can be unpredictable, there may be days when she is not in school. Mrs Hopcroft has now taken on this role, which was always the plan, although a little sooner than we had expected, and she will be moving to full time from September.

To help us manage communication during this time, please use inclusion@oakhill.crst.org.uk for any queries so the team can pick them up promptly.

I would like to reassure you that our inclusive practice will continue as normal. We will keep identifying, supporting and reviewing children's needs in a proactive way. This is simply to help communication run smoothly while staffing is reduced.

As you know, our SENDCo, Jayne Winterbourne, is due to retire at the end of the year and is currently off due to ill health. While we are pleased that her health is improving, it is unlikely she will return before the end of term. This is a real sadness for us all, as Jayne is not only a fantastic SENDCo but also a much valued colleague.

In Steph's absence, please use the shared email in the first instance. We also have support from our Trust SENDCo, Clare, and Sam Lune, who many of you already know, to ensure continuity.

Thank you, as always, for your care and commitment to all of our children.

RSE in school

Over the next few weeks, children will take part in our Relationships and Health Education lessons. These focus on friendships, families, kindness, respect, staying safe and understanding change in an age-appropriate way. You can find our policy on the school website. If you'd like to know more or see any materials, please speak to your child's teacher
