

# Oak Hill First School

## Weekly Update

02/10/2026

### Keeping everyone safe at drop-off and pick-up

A gentle reminder to please park safely and considerately when dropping off and collecting children. Please do not park on or too close to junctions, block driveways or park in a way that makes it difficult for children and families to cross the road safely.

We know parking around school can be tricky, but a few extra minutes or a slightly longer walk really can make a difference.

If you are concerned about unsafe or obstructive parking, you can find information about who to report it to via Worcestershire County Council's parking guidance. Obstructive parking should be reported to the police, while breaches of parking restrictions are dealt with through the local authority. [Click here for more information](#)

### A reminder about how we treat each other

Unfortunately, we have had a couple of incidents recently where staff and other parents have been spoken to in a way that is not acceptable at Oak Hill.

We won't always get everything right, and there will sometimes be things we disagree about, but we will always listen, try to help and treat you with respect. We ask everyone in our school community to show that same respect to staff and to one another.

If something is worrying or frustrating you, please talk to us. For concerns that need a little more time, please contact us to arrange a conversation rather than trying to resolve them at the office desk or at the school gate.

Our Parent Code of Conduct sets out our shared expectations for respectful and constructive communication. [More information can be found here.](#)

### Supporting our families

Our website has a Supporting Families page with information and resources to help with a range of family needs, including links to further support available locally

## Parent Consultation Evenings

Don't forget to book your Parent Consultation Evening appointment via Arbor.

We know there was an issue with bookings for Hedgehog Class. Fingers crossed this has now been resolved, but please let us know if you are still having difficulties booking.

## Issacs – Rainbow Day

On Friday 9th October, we will be holding a Rainbow Day in support of Isaac's Food Bank. Linked to our Harvest celebrations. Children are invited to come to school wearing bright, colourful clothes. If families would like to support this worthwhile cause, we would be grateful for a donation of a tin or other non-perishable food item, which will be passed on to Isaac's Food Bank as part of our Harvest collection. Thank you for your kindness and generosity in supporting local families in our community. Donations on the day please (we struggle to store them in advance)
