

Oak Hill's Sports Days were a huge success. The weather held off and races were in full flow. The children competed in hurdles, javelin, target throw, running races, bean bag hoop race and relay races. This was a perfect opportunity for the children to showcase the skills they have learnt this term in Athletics. They worked both individually and as a team and showed great sportsmanship as they cheered each other from the sidelines. We had a great turn out from parents and carers, this really added to the atmosphere. Thank you for cheering on the children continuously throughout the mornings. Of course the annual teacher and parents race followed- thanks to all those who joined in! Following the celebrations of Yellow team (KS1) and Blue team (KS2) being awarded the winners trophy, a lovely picnic lunch was enjoyed by all.
